Stock your tanks with tropical fish now. The live tropical fish dealer continues to push tropical fish and features them during the winter months. You get higher prices, and there is a stronger demand for tropical fish during the winter time. Equip your aquariums with our #5 heaters in order to keep them from getting too cold. These heaters can be supplied at 75¢ each in any desired wattage. Better get your share of the Aquarium business. If you buy your aquariums from us you will be able to offer them at a reasonable retail price. Go through our wholesale trade list, on page 7, 8, and 9, and compare our prices and the quality of our merchandise with others. If you have not bought from us, and you wish information on opening of tropical fish department, write us.
